## DOGGIE RESCUE'S 2018 CALENDAR IS OUT NOW!

We are proud to launch our **2018 Doggie Rescue Calendar**  
- our major fundraising activity for the whole year.

Buy one or buy 100 and help us reach our sales goal of 5,000 calendars sold. Just imagine the difference this money raised makes to our doggies' lives.

Our 2018 cover boy is Ed (nee Oska at DR). Ed has had such an amazing turn around in his life from being a neglected abused dog left at a rural pound facing imminent death, to now being the cover boy of DoggieRescue's 2018 calendar!

A compassionate person on the other side of the world years earlier had a chance acquaintance with Ed. He was so touched by his gentle sweet nature despite his cruel treatment he could not get him out of his head. Upon hearing that Ed was facing his fate at the pound he rang numerous rescue groups from overseas for help.

DoggieRescue heard of Ed's plight and could not turn away.

Ed became part of the DoggieRescue family and had regular meals and walks and he learnt that there are kind people out there. It did not take long until his now owner Scott and his family found him and saw what a beautiful boy he was and welcomed him into their hearts.

DoggieRescue is all about saving lives like Ed's, 365 days of the year. To keep our doors open we have launched our major fundraiser for the year, our 2018 calendar full of pics of DoggieRescue dogs who have found their forever homes.

Ed and all the doggies would love you to buy a calendar this year for your friends and family – they think its the perfect Christmas stocking filler! Click on pic of the calendar below to order your copy now.
